

# Announcing Final Friday

## **When is Final Friday?**

- The last hour of the last Friday of the month.

## **How do I go?**

- You have to buy your way in. It costs \$300.

## **What goes on there?**

- Glad you asked. You have lots of choices.
  1. There is one themed activity each month. One month may be a movie day with snacks, another may be a dance with snacks, one may have art activities, or organized field day with competitions.
  2. If you decide you don't want to participate in the theme then you can have the option to hang out in another room with a teacher to draw, play games, read, or even go play basketball.
    - No **phones/iPods/or other electronics allowed.**

## **What happens if I don't earn it or don't want to go?**

- That's unfortunate. We'll miss you. Instead of Final Friday, you will be in a mandatory study hall monitored by a teacher where you will quietly work on homework or other work that your teacher has prepared for you.

## **Really?**

- Yes.

## **So, you're serious?**

- **Super** serious.

## **This Final Friday's theme is lame. What happens if I don't want to participate?**

- We're sorry that we won't have you but that is your choice. If you choose not to participate, then you'll be participating in the study hall.

## **What if I am absent?**

- Final Friday occurs once a month. There are no make-up dates.
